The Vassar

A CORRECT expository of good form.
It was the pioneer
of Ladies' Waists,
and,
Popular from the very start;
Changed now, of course, so as
to keep up with the times,
But still the most sought after
by women who always
dress well.

THE best and newest designs
are embodied in

The Vassar

Exceedingly full sleeves,
fullness in bust,
and
Made of Fabrics dainty
but enduring:
Percales, Madras, Lawns,
Zephyrs and Dimities.
